Q1. WHY DID YOU DECIDE TO PROVIDE THESE RESOURCES TO STUDENTS AT SLC AND WHAT SPECIFICALLY MADE YOU CHOOSE SMILE BOX?

We provided these resources to our students as we have a duty to look after our students physical & mental health – We looked at your product and we felt that compared to competitors, Smile-Box is a terrific item, full of useful objects that we felt would make our students feel more at ease and more relaxed.

Q2. DESCRIBE YOUR EXPERIENCE OF WORKING WITH SMILE BOX?

It has been an absolute pleasure working with the team at Smile Box. Their professionalism, enthusiasm and commitment to supporting the mental health of our students at South Lanarkshire College has been above and beyond. Donna and the team are incredibly dedicated to supporting mental health and this shone through in all our discussions. The Smile Boxes were tailored perfectly for our students and all suggestions were taken on board. We would highly recommend working with the Smile Box team.

Q3. WHAT AFFECT DID THESE STUDENT WELLBEING SMILE BOXES HAVE ON STUDENTS AND WELLBEING AT SLC

The affect Smile Box has had on college students has been immeasurable, still to this day I get emails from students asking if I have any more in place because they liked certain items within the Box so much.

I know as a student myself too I still use items from within mine & use my coaster & smile stand too. Students loved it, they would happily take one home Every day I think. The Smile Boxes have been a huge success as always at Freshers, I think on Monday we had 100 of them disappear within a record time of 6 minutes!

Q4. HOW WAS YOUR EXPERIENCE OF WORKING WITH SMILE BOX AND WOULD YOU CONSIDER USING THIS COMPANY AGAIN IN THE FUTURE?

Excellent company to work with, so very easy to work with, The team kept us informed step by step of everything that was happening – can't fault the business & very much hope to work with Donna & Smile Box team again soon.
